## JVs Down Lakers 19-6

Play Cheboygan  
There Oct. 9

The Grayling JV's rolled to  
their second straight win last  
Thursday by downing the Houghton  
Lake JV's 19-6.

In the game played on the  
little "Bobcats" field Grayling  
scored first and were never  
headed.

In the first quarter Greg Mc-  
Clain set up the first score as  
he rammed 45 yards to the Lak-  
ers' 15, and then two plays later  
he scored on an end run. The  
extra point was missed and  
Grayling led 6-0.

Later in the first period, Gray-  
ling again scored, this time on  
a sustained drive with Jerry  
King going the last nine yards  
for the TD. Tim Mead scored  
the extra point on a quarterback  
sneak.

Just before the end of the first  
quarter, Houghton Lake scored  
after a sustained drive.

The second and third periods  
were scoreless, with Grayling  
holding a slim 13-6 edge going  
into the final period.

Late in the fourth quarter, Mc-  
Clain again broke off tackle and  
tallied the last TD on a 40-yard  
run. The extra point was missed,  
leaving the final score 19-6.

Doug Legg was voted the out-  
standing player in the game for  
his aggressive line play.

McClain rolled up 150 yards in  
15 attempts, with King the work  
horse on offense, carrying the  
ball 22 times, mainly up the  
middle, for 90 yards.

Coach Frank Smith's JVs  
played host to the Mancelona  
yearlings Tuesday night of this  
week. They will journey to Che-  
boygan next Wednesday evening,  
Oct. 9th. The game there is set  
for 7:00 p.m.

## District Nurses Meet Officers

## BLACK AMERICA PAST AND PRESENT

The year 1969 will mark the  
350th anniversary of the land-  
ing of the first Negro slaves in  
North America. In the centu-  
ries that have followed that date  
no matter has more deeply af-  
fected the history of our nation,  
than has the relationship be-  
tween white and black Ameri-  
cans.

It has been a harsh and un-  
happy relationship for all of  
those 350 years. Today, it ap-  
pears to be reaching the point of  
final crisis. Out of that crisis  
may come final resolution and  
the dawn of a new era of justice  
and peace — or out of the crisis  
may come the end of Ameri-  
can Democracy. With nearly 25  
million black Americans aroused  
and determined, as they never  
have been before, the problem is  
too immense for any less signifi-  
cant outcome.

The nature of the outcome will  
be determined mainly by what  
happens in the mind of white  
Americans. Like all great prob-  
lems, this one was born in the  
minds of men. It is in the minds  
of men that it will have to die.  
A mountain of myth and misun-  
derstanding has been built in  
three and a half centuries. Only  
fact, history and truth can level  
that mountain.

In an effort to discover the  
facts, learn the history, and  
find the truth; a course entitled  
"Black America — Past and  
Present" will be offered at St.  
John Lutheran Church at two  
different times during the week.  
For those who can attend most  
easily in the evening, the course  
will be offered on Monday even-  
ings at 7:30, beginning on Oct.  
7. For those who can attend  
most easily in the afternoon, the  
course will be offered on Wed-  
nesday afternoon at 2:00, begin-  
ning on Oct. 9. All in the com-  
munity are invited to attend  
these classes.

The Grayling Vikings roared  
from behind last Friday night  
to overtake the Onaway Cardin-  
als in their first scheduled con-  
ference game by a 15-7 score.

After splitting in their first  
two non-conference games, the  
Vikings got off on the right foot  
in conference action in the game  
with Onaway.

The gridiron match which was  
first scheduled for Grayling was  
moved to the Cardinals field in  
order to even out the schedule  
for the future. This year Gray-  
ling had five home games and  
three away, which would have  
been in reverse next year. The

new set up will split the sched-  
ule with four at home and four  
away.

The two teams battled to a  
scoreless first half, with Onaway  
posting 7 points on the score-  
board in the third quarter.

In the third period the Vikings  
were moving the ball well, only  
to have their drive stall on the  
Onaway 25 yard line on a fourth  
and one try. The Cardinals took  
over and in the next series of  
downs, their quarterback Harley  
Freel rolled out on a keeper  
and went 65 yards for the first  
six points of the game.

On the Cardinals try for the

extra point, the first attempt  
was stopped, but Grayling was  
called for offside. The second  
try was good and with 8 min-  
utes left in the third quarter,  
the Cardinals led 7-0.

The Vikings then started to  
move with Dave Holmes and  
Dale Papendick picking up good  
yardage through the line. Mike  
Smock then hit Vern Hartman  
on a pass play to the Onaway  
15. Onaway was called on in-  
terference on Butch Hayes in  
the end zone and the Vikings  
drive was sustained.

Bruce Burkett replaced Mike  
Smoack at quarterback after  
Smoack had been shaken up on a  
pass play. Two plays later, Bur-  
kett fired a pass to Allen Lowe  
in the end zone for Grayling's  
first score. An attempted pass  
for the extra point went amiss  
and Onaway held a 7-6 margin  
with 7:20 remaining in the game.

With but 4:28 showing on the  
clock, the Vikings defense held,  
forcing Onaway to punt with  
fourth and 13 on their 20 yard  
line. John Hunter bolted over  
center forcing a bad pass over  
the head of the Cardinals pun-  
ter into the end zone. Mike Case  
Viking defensive end, took over  
and tackled him in the end zone  
for two points and the Vikings  
took the lead for the first time,  
8-7.

The Cardinals had to kick and  
Barry Hatfield ran it back to the  
50 yard line. Papendick gained  
5 and Holmes 4, then with 3rd  
and 1, Smock rolled to the right  
and fired a strike to Lowe for  
a TD. Papendick ran for the ex-  
tra point and the Vikings led  
15-7 with 3 minutes to play.

On the ensuing kickoff, On-  
away took to the air in an at-  
tempt to get back in the ball-  
game, only to have Tony Ellison  
nick off one of their passes to  
end any threat. Ellison had two  
interceptions in the game.

The Harbor Springs Rams will  
invade Vikingland this Friday  
night in a n o t h e r conference  
clash. Game time is set for 8:00  
p.m.

In last week's league action,  
Harbor had little trouble with  
East Jordan as they shut them  
out 46-0. Mancelona clipped the  
Pellston Hornets 25-6.

## Thayer Retires From Cadillac Naval Reserve

LCdr. Arthur Thayer has re-  
tired from drill participation in  
the Naval Reserve Training Cen-  
ter at Cadillac, where he has  
served for the past 16 years.

During this time he has served  
as administrative officer, as-  
sistant training officer, train-  
ing officer, executive officer and  
for the last two years as com-  
manding officer of Surface Division  
9-167.

During the two years Thayer  
has served as commanding of-  
ficer of the unit it climbed from  
63rd out of 67 in the 9th Naval  
District to 8th in military com-  
petition.

Many of the young men from  
here have gone into the service  
through the Naval Reserve pro-  
gram during Thayer's twelve  
years here and at least six, Tom  
Galvani, Raymond Halstead,  
Jim Perry, Joe Lowe, Carl Waite  
and Richard Campbell, are mak-  
ing the Navy a career.

Thayer entered the Navy as  
an apprentice seaman in July of  
1949 and served two years ac-  
tive duty with the Seabees dur-  
ing World War II with enlisted  
status. He got his commission  
through the college program of  
the Naval Reserve while attend-  
ing college.

Successor to Commander  
Thayer is Lt. Dennis Keleher of  
Manistee. Thayer will continue  
some participation as represen-  
tative of the Naval Academy in  
this area, the north half of the  
10th Congressional District, con-  
tacting potential midshipmen for  
the Academy and explaining the  
Academy program to individuals  
and groups.

## Flag System At N.M.W.F.

A new flag system is being  
used for 24-hour forecasting.  
The flag system is used to tell  
people what conditions will exist  
in the next 24 hours. The flags  
will be flown on the 16-foot wind  
instrument tower to the left of  
the house at 409 Plum St. A red  
flag will be flown for an ap-  
proaching storm. A yellow flag  
will mean light precipitation;  
and a green flag will signal fair  
weather ahead. The forecasting  
system is in use.

## Grayling High to Offer Art and Woodworking Classes for Adults

Would you like to try your  
hand at oil painting? Ceramics?  
Creative woodworking? Char-  
coal sketching? If so, the oppor-  
tunity will soon be here for you  
to do so.

Under a program called Com-  
munity Enrichment, Grayling  
High School plans to offer a  
series of 10-week classes for  
adults beginning Wednesday,  
October 3, 1968. The classes will  
meet weekly from 7-9 p.m.

Two classes will begin at this  
time, one entitled Oil Painting  
and one entitled Creative Wood  
and Metalworking.

Classes will be limited to no  
more than 15 adults and regis-  
trations will be accepted im-  
mediately. If you wish to regis-  
ter for either class, address a  
letter to Community Enrichment  
Program, Grayling High School,  
Grayling, Michigan. Please state  
your preference of either oil  
painting, or creative wood and  
metalworking. Each registra-  
tion must be accompanied by a  
check or money order for \$8.00  
made payable to Crawford - Au-  
Sable Schools. In the event your  
check is received after the class  
quotas are filled it will be re-  
turned to you.

The Crawford - AuSable School  
System has hired a total of nine  
new teachers for the current  
school year. Each week for nine  
consecutive weeks, we will run  
a series of articles introducing  
one of the new teachers.

The new teacher this week is  
John L. Ganske, mathematics  
teacher. Ganske came to Gray-  
ling from Spooner, Wis., where  
he grew up and graduated from  
high school.

After completing high school,  
Ganske attended Wisconsin State  
University in River Falls, Wis.,  
where he received his Bachelor  
of Science degree in art and  
math in 1968.

Much of his time the last two  
years has been devoted to the  
production of sculpture and  
painting. He has also exhibited  
many of his art works in student  
and professional art shows, the  
last one being the Wisconsin  
Painters and Sculptors Exhibit  
in Milwaukee.

Ganske is unmarried and he  
devotes much of his spare time  
to golf, fishing and hunting.

## Northern Michigan Weather Forecasting

Weekly Weather Report by Chris Gonty  
Wednesday, October 2 — Sunday, October 6

Cool weather will be the domi-  
nant feature again. Wednesday  
will be fair with temperatures in  
the lower 50's. Thursday will be  
about the same, with the highs  
in the mid 50's. Increasing cloud-  
iness and slightly warmer condi-  
tions are due for Friday; highs  
will run near 60. There is a  
chance of rain Saturday, with  
highs in the upper 50's. Sunday  
will be partly cloudy and quite  
cool, with a chance of showers;  
the highs will range in the low  
50's.

The first killing frost has al-  
ready occurred in most sections  
of the area. The frost occurred

Saturday morning, when the  
temperature dropped to 30. If  
seasonable conditions prevail,  
some snow should fall within the  
next two or three weeks.

Temperatures for the next five  
days will average two to four de-  
grees below the normal high of  
60 and the normal low of 38.

Precipitation will total one  
quarter to one-half inch.  
Last week's average high—62,  
average low—43, which is near  
the normal. We received 0.60  
inch of rain last week, 4.16 for  
the month, which is 1.16 inch  
above the normal precipitation  
for September.

Michigan Historical

Historic Site Survey  
505 N. Washington Avenue  
Lansing, Michigan 48210

Mr. Basil J. Godbold,  
Superintendent  
Professional Bldg.  
Houghton Lake, Michigan 49629

Dear Mr. Godbold:  
The Michigan Historical Commission is undertaking a comprehensive survey of historic sites and buildings in the state. This will be the first work of this type ever done here, and we are anxious to secure the assistance of everyone interested in history and historic preservation.

Throughout the state, volunteers are needed to report and photograph the visible remnants of our past, and to do legal and historical research to verify their authenticity. This work will be part of a continuing effort by the Commission, in cooperation with the National Park Service and other state and federal agencies, to ensure that these tangible links with the past are neither forgotten nor destroyed. Sites and buildings located as a result of this survey will be considered in a comprehensive plan for historic preservation in the state, and will be eligible for registration and marking by the Michigan Historical Commission. Sites of greatest significance would also be eligible for inclusion in the national registry.

and would thus be secure from destruction through any action sponsored by federal funds. To conduct this survey we need the assistance of all those individuals who are interested in historic preservation. We ask that you read this letter at your monthly meeting, post it on your bulletin board, and send us the names of interested individuals in your area, or have them write to us. Perhaps if we all try to work together, many important sites of Michigan's past will be saved for future generations. Sincerely yours,  
Miss Phyllis C. Shepard

Junior Chamber of Commerce  
Grayling, Michigan  
Gentlemen:

I am a member of the Big Brothers of Saginaw and I would like to thank all members of the Grayling Jaycees who made it possible for our group to have such a fine outing on Sunday, Sept. 8.

From the very start, a police escort into town, to the stop at the Dairy Isle, everything was well planned and organized. I am sure that every boy plus the Big Brothers will long remember the many things that were arranged to make such a full day possible. I know a lot of time and hard work made the above possible.

Again I want to thank the Grayling Jaycees, the Bear Museum management, the Railroad management, the canoe rental owners and any others who made such a fine day a reality.

A. H. Kaipicke  
Sincerely

## BITS O' TALK

Howard Madsen Jr. and Grant Thompson made a two-week trip to the New England states in September, going by way of Niagara Falls, then to Boston, through Rhode Island and to Old Lyme, Conn., where they visited Grant's grandmother before starting their return trip by a different route. Among the places of interest they visited was Mystic Seaport in Connecticut. They returned home on the 20th. Grant is back attending classes at Northwestern Michigan in Traverse City.

Mrs. Grace Andrews and her mother Mrs. Matilda Nelson returned home last Wednesday from spending a week with her son Hans and family in Battle Creek and her son Larry and family in Lansing.

INTERPRETING THE NEWS  
By ELMER F. WHITE

**Jury Duty**  
A new system for selecting citizens for jury duty goes into effect next year. More people will be called to serve, but the length of service is cut from three months to a maximum of 30 days.

Prospective jurors are presently selected by township supervisors and city aldermen from property tax roles. They serve for \$15 per day. The selection method was designed when Michigan was primarily an agricultural state and is not conducive to present modes of living. Charges Lee C. Dramis, a Lansing lawyer who played a leading role in rewriting the jury law.

Workingmen find it difficult to support their families on \$15 a day, and may ask to be excused for economic reasons. Persons who do not own real estate are automatically eliminated. These excuses about 80 percent of the men and 60 percent of the women in urbanized counties, Dramis said.

As a result, juries are now composed mainly of retired persons with little or no regular demands on their time.

The new law specifies that voter registration lists be used instead of property tax roles. A special jury board, appointed by the governor, will make the selection rather than supervisors and aldermen. A special mathematical formula will insure names being picked at random.

Exemptions under the new law are few: physical or mental disability, persons over 70, police officers and lawyers, citizens who do not understand the English language. The presiding judge may make other exceptions, but excuses are expected only rarely under the new system, Dramis contends.

New jurors will be selected by the jury board in May of each year. If lawyers agree, six-member juries may be used for civil cases. In the past, 12-member juries were required for all circuit court cases. Six-member juries will be used for both civil and criminal cases in the new District Courts which replace the present Justice Court system January 1.

A special provision in the new law makes a person an employer who fires a person because of his absence for jury duty guilty of a misdemeanor.

**PTA Goals**  
Three vital areas will receive concerted attention by the Michigan Congress of Parents and Teachers Association this year, according to the organization's president, A.B. Haist. The areas are sex education, crime prevention, and the relationships between student, parents, teacher, school administrators and school board.

During a 1967 survey among Michigan families, these three subjects were rated "critical." The organization hopes that each of the 2,000 local units will devote several meetings to the topics, and then build upon local interest with specific programs.

"If all the PTA units across the state will concentrate on these three major subjects, the PTA in Michigan can unite for effective study and positive action," Haist declared.

Many positive programs have been fostered in the past, but seldom has the organization aimed strongly at specific subjects. To help its 360,000 members organize plans of action, the group sponsored nine "program planning clinics" during August. About 400 officers attended the sessions.

**Need Updating**  
Most people seldom need the services of a notary public, but proper notarization of documents can avoid serious complications when legal transactions are made. Buying and selling agreements, the transfer of property, publication of legal notices, and many other affairs must have signatures notarized. The notary public's responsibility is to verify the validity of the signature. Failure to do so may result in a costly court suit.

The importance of a notary public is in sharp contrast to the minimal requirements for the appointment. For many years now, applicants need only be 21 years of age, a resident of the county from which they apply, and be endorsed by a circuit or probate judge, state senator or representative. A \$2 filing fee is charged by the state, \$1 by the county clerk, and \$3 to \$14 for bonding.

The governor makes the appointment and only his office can revoke a commission. There are currently about 100,000 notaries public in Michigan. Complaints regarding improper notarization and overcharging of fees are frequent, according to the Secretary of State's office which processes applications. Seldom are commissions cancelled.

Efforts to establish high qualifications have been unsuccessful. New legislation has been introduced, but it has not received serious attention from lawmakers.

This is in reply to the girls who wanted to know if their "pep session" was rebellious. Your letter was so well written that one must assume that you are very good English students.

The writer knows that it has been the school policy for many years to hold pep sessions before home games only.

Now if you girls will take the time to check the athletic records starting with 1916 (about the time the present high school was built) you will find that there were many great teams and many still live in Crawford Co., but these facts are old and outdated according to your way of thinking. But what made them win? As for your answer, being the enthusiastic students you claim to be, I am sure that if you will go to the Webster dictionary and look up the word "Rebellious" the answer is very clear. Are you right or wrong? Name withheld by request

**EDITORS NOTE:** The Avalanche received a "Letter to the Editor" through the mail the past week signed only "Anonymous." It is the policy of the newspaper to print only letters that carry the writer's signature, and are not libelous. The above letter does carry a signature for our files.

## Architect Needed

One of the reasons why there will be less heard of government plans to rebuild American cities, it poverty and find jobs for the unemployed found in the record of government efforts in directions in the past 7 years.

According to figures published in U.S. News & Report, after 7 years of striving, the government has achieved little other than to run up huge debt. In spite of all this, big city problems have steadily worsened, respect for law and order actually broken down, and colleges have been headquarters for rioters rather than seats of learning. If nothing else, the past 7 years have shown the futility of looking to government as the architect of progress.

West Point, Miss., Times - Leader: "Gun control of a sort, yes. There should be a limit to the number of guns owned by private citizens. We don't have private ownership of machine guns, or anti-aircraft guns, and a lot of them have been released publicly through government surplus stores."

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE  
FILES OF THE AVALANCHE OF 23 YEARS AGO

October 4, 1945

Miss Darlene Smith, daughter of Mr. and Mrs. Eldon Smith and Carl Bailey, son of Mr. and Mrs. John Bailey, all of Maple Forest, were united in marriage Saturday at a 3:00 o'clock wedding. Attendants for the couple were Mrs. Charles Opitz, Fredrick and Mrs. Lester Bailey of Flint. Rev. Charles Opitz of Frederic officiated at the ceremony which took place at the parsonage.

Mrs. Emma Knibbs of Grayling was elected as president of the Ladies National League in their 44th annual convention held in Grayling last weekend. A highlight of the convention was the talk given by George Granger, Grayling city manager, who spoke to the group. Mrs. Nellie Stuck, one of the founders and "mother" of the club also spoke. She traced the early days and history of the league. A banquet and campfire under the chairmanship of Mrs. Emma Knibbs was held in the Grange Hall.

Mr. and Mrs. Ace Leng of Frederic have the honor of announcing the marriage of their daughter, Doris Ina, to Guy S. Kellogg, son of Mr. and Mrs. J. E. Kellogg of Grayling. The wedding was solemnized by Rev. Keith Connings at the Grange Presbyterian Church in Detroit, Sept. 17. Attending the couple were Mr. and Mrs. Alfred Praulx, sister and brother-in-law of the groom. Miss Kellogg wore a soldier blue suit and carried a corsage of sweet peas and yellow talisman roses on a background of white baby mums. The matron of honor was attired in a similar suit of brown and carried a corsage of brown-eyed Susans and red roses. A wedding dinner was held at the Dearborn Inn for the bridal party followed by a reception at the home of Mr. and Mrs. Alfred Praulx at Walled Lake. Following the wedding the couple left for a trip in Canada. They are now at home to their friends at 1302 Brockway Street in Saginaw.

Mr. and Mrs. Jake Stillwagon and J. Vance drove up from Plymouth Monday looking over the construction of Jake's new store building. He is preparing to open up the store in the spring.

Major and Mrs. John H. Peterson have arrived in Grayling to take up their residence, temporarily at the Holger Peterson home. The major was with the 20th Air Force until Sept. 11 at which time he received a terminal leave awaiting return to inactive status in Officers Reserve Corps on December 15.

Mr. and Mrs. Chris Christenson of Fremont, Neb. arrived in Grayling last week to visit the Robert Ziebell's and other friends. They have sold their home here but expect to visit for about two months.

Miss Ernestine Stephan is now employed at the Shirlee Shoppe. Mr. and Mrs. LeRoy Akers and sons Keith and Dale, of Saxon, Wis., left Tuesday, after spending a few days with his father, Perry Akers, and sister, Fern.

Capt. and Mrs. Tony Stellano left Tuesday for Washington D.C. after spending a week with her parents, Mr. and Mrs. Sigwald Hanson.

The Misses Jean Monica Brady and the latter's friend, Lt. Arthur Weidman spent last week at the home of the girl's parents, Mr. and Mrs. John Brady. Lt. Weidman is recently returned from the Pacific War Theater.

Mrs. John Libke left for Detroit Tuesday to meet her husband, Col. John Libke who flew from Europe to Washington, D.C. arriving Sunday. Colonel Libke is on leave. They plan to spend several days in Detroit before returning to Grayling.

The Earl Dawsons have returned to Grayling after spending a month vacationing in Grand Blanc, Flint, Detroit and Grand Rapids.

Pvt. and Mrs. Norman Dawson and family are spending a few days visiting his parents, Mr. and Mrs. Earl Dawson. Pvt. Dawson is enjoying a 15-day furlough.

Miss Elizabeth Matson left last Sunday night for Stockton, Calif. to assume her new duties as professor of health education at College of Pacific and Stockton Junior College.

Dr. and Mrs. C. G. Clippert planned to return home today after spending a week in Lansing and Detroit. Miss Barbara Borchers and Richard Penty accompanied them to Lansing last Friday and were guests of Dr. and Mrs. D.L. Barrus overnight. Saturday, the group with Miss Billyann Clippert attended the football game between Michigan and Michigan State at Ann Arbor.

## Is U.S. Election Process at Stake?

DEARBORN —The stability of America's election process itself may be at stake this November, according to a University of Michigan political scientist, Prof. John Dempsey, of U-M's Dearborn Campus says "third-party candidate George Wallace could easily throw the 1968 elections into the House of Representatives."

The Constitution requires 270 electoral votes — from a total of 538 — to elect a president. Wallace claims that he will win about 174 votes and Dempsey predicts about 70 for him. Wallace is certain to win 39.

If Wallace actually wins 70 electoral votes, there are only 468 left. If neither Richard Nixon nor Hubert Humphrey win 270, the selection will go into the House.

"It is also possible," Dempsey explained, "for a candidate who wins a majority of the popular vote to lose the election." Unless the political makeup of the House changes greatly in November, Dempsey said, the Democrats would probably win any election decided there.

Each state has a single vote in the House for election purposes. Loyalist Democrats now control 24 state delegations and Republicans 18. Five are controlled by Wallace supporters. Three state delegations are divided evenly between Democrats and Republicans.

Twenty-six House votes are needed to elect a president.

"If the winner of a majority of the votes loses the election, the image of the American electoral system will suffer. It will be difficult to convince the people of the world that the whole election was fair and not rigged in Mr. Humphrey's favor."

Dempsey discussed each candidate separately. He said Nixon is appealing to middle-class voters and "a return to the way things used to be way back when." Humphrey too is appealing to the politics of memory, but to the economic past, in Dempsey's view.

Dempsey describes Wallace as a nihilist. "He is against everything. He appeals to a wide group of people," the professor said.

Dempsey is teaching an eight-week course — through election week — on "The Making of the President, 1968." The course is being offered on the U-M Dearborn Campus by the University Center for Adult Education.

Over 50 friends and neighbors attended the farewell dinner for the Mike Handricks and Roy Papenfus families last Tuesday at the town hall. A good time was had by all and each of the families were presented with a farewell gift.

Mr. and Mrs. Richard Lozon and daughters of Saginaw spent the weekend with the Chester Lozons. Also Sunday guests were the Dale Lozons and Lewis Johnsons.

**Women of the Moose**  
SOS. It is that time of year, again when Mooseheart and Moosehaven are making a plea to all loyal Moose Auxiliary members for their help.

Our Christmas in October night is Oct. 7. Please help as generously as you can so that our helpless children and aged can have a Merry Christmas.

If for some reason you are unable to attend the meeting, but wish to help out, your donation will be accepted at the Moose Lodge. It may be placed in an envelope and decorated with ribbon, bow or Christmas seals and it will be hung on the Christmas tree. Please designate how much should go to each. If you send a check will you please make it payable to the Women of the Moose and earmark it "Christmas in October Fund."

There is a change in enrollment night from Oct. 7 to Oct. 14 at the same time.

Carol Evans, Pub. Chmn.

American Legion Auxiliary News

September 24 was social night for the American Legion Auxiliary Unit 108. Bunko and cards were played with high prize for Bunko going to Joyce Kolka. Pinocchio prizes went to Jerry Muth, high, VI Middleton, low, and the door prize was won by Beryl Moore. Lunch was served by Lillian Kitchen, Joyce Kolka and Liz Vajda.

The American Legion Auxiliary Unit 108 will have a coffee hour on Wednesday, October 9th, at 10 a.m. to start the 1968 American Red Cross fall fund drive.

There will be another leadership training school on October 19th and 20th sponsored by the Department of Michigan of the Auxiliary. Mrs. Thelma Leys of Grand Rapids will conduct the school. This is to be held again in the Legion dining hall.

Mrs. Beryl Moore attended the Fall conference in Ann Arbor, in place of Ann Hamlin. Jerry Muth went also.

The next meeting of the Auxiliary will be on October 8th. Dues are still 3.50 until October 15th, then they will go up to \$3.90.

The next 10th District meeting is Oct. 27th at Hale, with a 2 o'clock dinner and meetings to follow.

October 5th the Junior Unit 106 of the Auxiliary will have a tupperware party from 1 to 4 at the Legion dining room. The Junior girls are serving refreshments. They are trying to raise money for an American flag for Ausagra Acres, so please come and help them out. The Junior girls will be around for your orders nights after school.

Bridal Showers Held

Miss Toni Madsen, daughter of the Howard D. Madsens was the guest of honor at a miscellaneous bridal shower given Thursday evening at the Dr. Paul Juntilla home, the hostesses being Mrs. Juntilla, Mrs. Lyle Bilsby and Mrs. Carl Henry Nielson. The ladies spent the evening finishing a fringed tablecloth and napkins. Dessert refreshments were served, after which Toni was assisted by Mrs. Leonard Gezequel and Mrs. Russell Wright in opening her gifts.

On Saturday Toni was the honored guest at a luncheon given by Mrs. Howard Cogson Sr. at Chief Shoppens Hotel for members of the family. This was a pre-wedding shower, and Mrs. Floyd Milliken of Bay City, Miss Linda Madsen of Flint and Mrs. David Schlaack of Evart helped with the gift opening.

Saturday evening Mrs. Floyd Milliken and Mrs. Jack Pettyjohn were hostesses at a miscellaneous shower for Toni, held at the bride-elect's home. Games were the evening's entertainment, followed by salad, cake and coffee. Miss Rena Papendick and Mrs. Larry Gust gave assistance to Toni with her many lovely gifts.

Growing Toward Bankruptcy

There's plenty of talk in Wall Street circles about "growth industries" and "growth companies." They are the glamour stocks which attract heavy interest from traders who foresee fast growth, bigger profits, and higher stock prices.

In recent years, the computer industry has been called a leading growth industry, and the profits in IBM and similar companies seem to bear this out.

However, perhaps the nation's biggest growth industry of recent years is one that is not sold on Wall Street. It has no common stock, but it actively sells bonds to cover its mounting debt. The biggest growth industry is government - Federal, state and local.

Every seventh person employed in the United States works as a government job, not counting military personnel. Back in 1929, one out of 16 employees was on a government payroll. Obviously, government has grown much faster than the private economy, even in the unprecedented economic expansion since World War II.

Expansive Federal, state and local governments are expected to spend about \$300 billion this year (compared to about \$55 billion in 1942), and taxes paid to support this "industry" will average out to \$3,600 per family, twice as much as just eight years ago. And even these taxes do not cover the spending, some of which is added to the debt.

The six persons working in the private economy today are, to a large extent, supporting

# Putting you first.

(A quick tour of some of the thoughtful new features the 1969 Chevrolets offer that other cars in Chevrolet's field don't.)

**Headlight washers**  
You push the windshield washer knob and hold it, and your headlights come clean.  
Fluid is diverted to two jet nozzles at each light lens. (Outer lights only on duals.)  
The spray removes up to 80% of accumulated dirt.  
The feature is standard on 1969 Corvettes. It comes with the hidden headlights available on Camaro, Caprice and Kingswood Estate Wagons. It is available on all other models except Corvair.

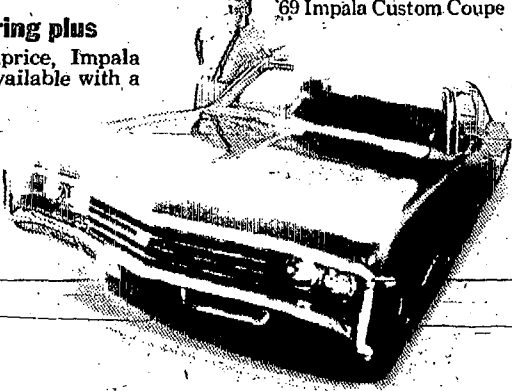

**Steering wheel lock**  
When you own a car as desirable as the 1969 Chevrolet, you don't take chances.  
When you leave it, you lock it. Not just the doors.  
You lock the ignition, steering wheel and transmission lever, too.  
Our new lock on the steering column takes care of all that.  
Standard on all 1969 Chevrolets, Chevelles, Chevy Novas, Camaros and Corvettes.  
Sorry, car thieves.

**Variable-ratio power steering**  
is particularly helpful in short, full turns.  
And parking becomes unbelievably easy. You'll see.  
**Walk-in wagons**  
The tailgate swings open like a door on most of our 1969 station wagons.  
Which in itself is no big deal. But wait, there's more.  
We've built a concealed step into the rear bumper.  
You simply step up, over, and in.  
(The way we build our wagons, you can do it without bumping your head, and without acrobatics.)  
Walk into a wagon soon at your Chevrolet dealer's.

**Heated glass**  
In a moment your rear window will self-defrost.  
Because we've built onto it a network of tiny ceramic strips capable of heating the entire surface.  
Fog and frost disappear quickly and quietly. You just flick a switch.  
The heated rear window is available on the 1969 Caprice Coupe and Impala Custom Coupe.

**Power steering plus**  
The 1969 Caprice, Impala and Camaro are available with a new type of power steering.  
Variable-ratio power steering.  
What it does is give you faster steering with fewer turns of the wheel.

**Pushbutton tire chains**  
You press a button on the instrument panel and the rear tires get a shot of "liquid tire chain."

Putting you first, keeps us first.

## 'Big Change' In Licensing

LANSING — This is the year of the "big change" in vehicle licensing in Michigan. Not only are license plate fees increased for Michigan's 3.7 million owners of passenger cars, but there will be an entirely new schedule of fees for heavy truck units which now must elect gross vehicle weight based on Act 3 of the Public Acts of 1967, passed by the Legislature during the extra session of 1967. This was a part of the so-called "good roads" legislative package.

And if this weren't enough, dates for the start of the sale of all types of plates have been changed, too.

Commercial and trailer plates go on sale October 1 at all branches of the Secretary of State. This is one month earlier than usual.

On the other hand, passenger car plate sales start 15 days later than normal on November 15.

Deadline for purchase of all types of 1969 plates remains February 28. But that, too, will be changed — starting with the next licensing year. Passenger and motorcycle plates for 1969 will not expire until March 31, 1970.

According to Secretary of State James M. Hare, the "least understood and most complicated aspect of the new licensing program is for trucks which include empty weight of a vehicle or combination of vehicles plus the maximum weight of any load to be carried.

"I'm certain the new law is going to cause confusion among the heavy truckers," said Hare. "Fees vary with the gross weight elected by truck owners."

There are 16 weight categories set up in the elected vehicle weight system adopted by the Legislature. Heavy haulers, fees will start at \$150 for vehicles or combinations up to 24,000 pounds which includes the weight of the load being carried. On the other extreme, the heaviest weight category will be for combinations running over 130,000 pounds. These will cost \$380 a year.

"Based on categories, stickers indicating the elected gross vehicle weight will be affixed to commercial license plates at all branches of the Secretary of State when owners register these vehicles," said Hare. "The stickers are made of a 'self-destructing' composition and cannot be taken off the plate without ruining them."

He urged truckers to register their trucks early and not "get caught in the crush of last-minute passenger plate sales."

Reason for the new weight rates, said Hare, is "to reflect more accurately loads transported on the state's highways rather than empty loads."

Individual trucks must weigh at least 8,001 pounds by themselves before they have to declare gross vehicle weight. An example would be a dump truck. Wreckers of any size and weight will pay fees based on empty weight.

## APOLOGIES

Our apologies to the Joe Cincialas family for the errors in last week's paper. Not one of our best days.

## COOR School Heads Meet

The COOR Intermediate School District area superintendents of schools held their first monthly meeting of the new school year at the Rosecommon County Court House on Sept. 19. Those in attendance were: Joseph Stripe, superintendent and Fraser Dean of the Crawford Area Schools; Chester Surline, superintendent, West Branch-Rose City Area Schools; Donald Harrington, superintendent of Fairview schools; Jack Ferris, superintendent, Mio AuSable Schools; James McGuire, superintendent, Houghton Lake Community Schools; E. L. Hulce, superintendent, Gerrish-Higgins Schools; Lloyd VanBuskirk, President of Kirtland Community College; Gilbert Stewart, President of Kirtland Community College Board; David Zluticky, Boy Scouts of America; and representing the COOR Intermediate School District were Basil Godbold, superintendent, Jack Keck, Instructional Media Director, and Jack Gretzinger, Coordinator.

Progress and future plans in the areas of cooperative purchasing, records and reports for the coming year, how Scouting might be increased, vocational education, negotiations and how they might be improved, teacher certification, data processing of school payrolls and records, were topics of discussion. A progress report of the Pentaco Instructional Media Center which is operated by COOR was presented by Keck.

It is the plan of the group to hold its October meeting at the Kirtland Community College so that they may be brought up to date on its progress and to meet personnel who have recently joined the Kirtland staff. The over-crowded condition of the COOR Intermediate School District office was pointed out. Supt. Godbold reported that expansion of COOR is being considered by both COOR Intermediate School District and the Kirtland Community College Boards of Education, as perhaps COOR could best serve the intermediate district in the area of the new college.

SPORTS FAN

**BET YOU DIDN'T KNOW**

By Bill Scheer

World Series tickets were not always hard to get. . . There was a World Series game in Detroit in 1908 for which only 6,210 fans showed up. . . That's the record for the smallest attendance in history at a World Series game.

Could you imagine the manager of a pennant-winning baseball team saying he didn't want his team to play in the World Series? . . . Did you know such a thing once happened? . . . It was in 1904. . . The Giants won the National League pennant but their manager, John McGraw refused to let them meet the American League winner, the Red Sox. . . And so, no World Series was played in 1904.

Bill Scheer and all the employees wish to thank the people of Crawford County for making their 1969 car showing a huge success. The drawings for the new cars and all the other prizes will continue through the 1st of November, so those who couldn't make it come on in! Winners of the two door prizes were: Clarence Roberts, Grayling, 1st, a set of TV tables, and R. Whitlock of Luzzern, 2nd, Hamilton-Beach mixer.

MOOSE NEWS

This weekend will be a busy one for the lodge. The Lodge's 50th anniversary will be celebrated. Starting about 5:00 p.m. a chicken dinner will be served in the newly redecorated basement, with proceeds going to the Larry Evans Fund. Tickets are \$1.50 and \$1.00 for children under 12. Saturday evening there will be dancing in the club room to live music starting at 9:00 p.m.

Sunday will be another busy day, with the monthly breakfast meeting of the Legion degree starting at 11:00 a.m. At 2:00 p.m. there will be an enrollment at the lodge; by either the Port Huron Team or newly organized West Branch degree team. The weekend will be concluded by visiting with friends in the club room.

Some extensive remodeling has been done to the rest room. Several faithful members have been helping with this project and we appreciate their help.

This Friday is meeting night at the lodge at 8:00 p.m. Lets see a big turnout so that we can get some activities started for the winter months.

Saturday the lodge held a special election to fill the unexpired term of governor. Chuck Stoddard was elected to fill the vacancy.

Have you checked your dues receipt lately? Oct. 1 starts the last quarter for dues.

Chuck Stoddard

**AMX**

There was a time when all we made were Ramblers. And, those Ramblers made our image. With the predictable result that we got a reputation for building dependable, little cars that were high on economy and low on sex appeal.

We still make the Rambler. It's a smarter buy than it ever was. But it's no Javelin.

When American Motors can build a hot, sporty car that out-sports the other sporty cars, that's news.

So far, more than 45,000 sporty-car drivers have decided that the Javelin is a better car for the money.

The Ambassador SST 4-door sedan is our luxury car. It comes with standard air-conditioning, standard V-8, standard automatic transmission, optional velour seats, a long, long wheelbase for an elegant limousine ride, and an astonishingly low price for the package.

We also make the Rebel.

The Rebel is the family car that dared to cross the treacherous Baja peninsula. Most of the specially equipped cars that start this trip never finish. The Rebel did. But, if anything changes our image, it will be the AMX, our two-seater sports car.

The AMX, specially equipped and modified, has set 106 American, national and international speed records.

At this point, it looks like our image will never survive.
